'WHERE TO INVADE NEXT',

A FILM WITH MEANING AND HUMOR

An American documentary written and directed by Michael Moore.

Prepared in the style of a travelogue, Moore spends time in countries such as Tunisia, Finland, Italy, France, and Portugal where he documents those countries alternative methods of dealing with the social and economic ills experienced in the United States.

Co-sponsored by:

Orange County Peace and Justice, The Radical Sanity Project,

and the Warwick Independent Film Club.

You are invited to stay on for the discussion that follows.

7 pm. (Doors open 6:30)

Warwick Valley Community Center,
