

From Standing Rock to the Land of Jogee

#WaterIsLife

#ProtectTheSacred

#NoDAPL and #StopCPV

Join us for a Ramapough Lenape
Ceremony in Prayer for Water & Earth
At the CPV Construction Site
in Orange County (1 hour outside NYC)

SATURDAY December 10th

11am -12pm

3600 Route 6 Middletown, NY

CPV is a dangerous 650 MW Fracked-Gas power plant under construction right now on top of a sacred Ramapough-Lenape burial ground, the land of Jogee, the last Lenape Chief in Minisink. It is the DAPL of NY and destruction is already underway of this sacred site. We will also be joined by the Minisink Historian who will describe the history of this sacred land. Join us as we celebrate a victory for Standing Rock and pray for protection of the Native Burial site in NY.
